## SEASON 2016

Inglewood United Soccer Club Development teams focus on the comprehensive development of the footballer. Emphasising the technical and tactical as well as conditioning and psychological aspects of the game, this is the holistic approach to development.

The program follows the National FFA Curriculum and helps prepare the players for the challenges of future development and elite pathways. Inglewood United welcomes players from all abilities backgrounds, creeds and cultures, uniting them all in the same dream - to become better football players.

The vision of Inglewood United Soccer Club is to develop each and every player's skills technically and tactically. This will greatly increase the understanding of each player's role on the football field. The Development teams also specifically aims to equip our players with vital life skills such as focus stamina, and discipline that will stand them in good stead in all aspects of their lives.

The Inglewood United Development program philosophy is founded on the 'whole player' approach, recognizing that improving a player's tactical and technical development must go hand in hand with the advancement of each player's maturity as well as their emotional and psychological well-being.

Inglewood United will therefore encourage all players to aim high, in terms of their footballing ambitions, and will promote the practice of sport as a means to improving each player's mental and physical health.

The aim is to ensure maximum development by maintaining high levels of competition throughout the weeks training and match program, creating a challenging but fun environment, emphasising the technical and tactical skills to improve the pathway to the elite teams at Inglewood United.

Inglewood welcomes you to apply to our fantastic and exciting development program.
