## 2024 Season Sponsor Opportunities

Inglewood United Football Club is a soccer club that competes in the NPL WA (National Premier League). Inglewood Stadium has a capacity of 7,000 and our licensed clubroom can cater events for 150 guests. Events are held throughout the season to celebrate all teams in the IUFC family and to recognise our supportive community.

The club was founded as Kiev Soccer Club in March 1951 named after the capital of Ukraine, and the famous Dynamo Kyiv team. Inglewood still proudly play in the yellow and blue colours of Ukraine.

Our recent successes include the First Team winning the NPL Night Series in 2021, playing on the national stage in against Metro Stars the Australia Cup and our Junior NPL Under 15s Team winning the U15 Boys Cup in 2023..

By sponsoring Inglewood united, you will be partnering with a club with ambition that values inclusivity and the community. Sponsorship opportunities are further detailed overleaf.
